

# We're Here For You

Over the past few months, we've been supporting members, helping them to navigate daily life in the 'new normal'.

And we want to help you too!

Exclusively for you, we have a special privilege to tempt you back; to save your precious time, support your everyday and really enjoy the upcoming festive season.

## Re-Joining Offer

Come back to the world of Quintessentially membership – where we bring you exclusive privileges and benefits, such as shopping, dining and luxury experiences all over the world. As a special re-joining incentive, let us pamper you with a complimentary day in the Ritz-Carlton Spa Fitness Studio and pool or a discounted rate with Asaya\*.

*\*Terms and conditions apply.*

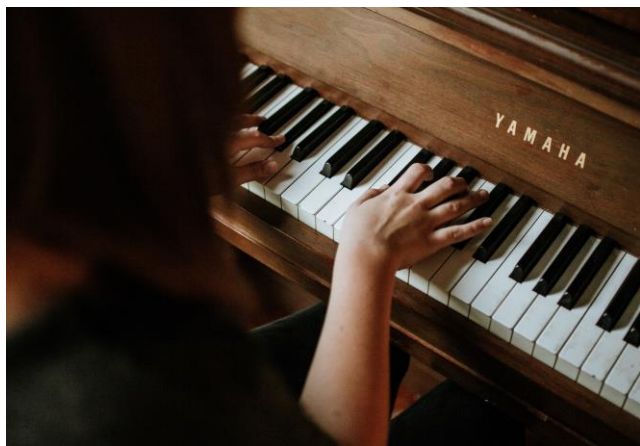

## Enjoy More Of What You Love

Let us take the stress out of the upcoming festive season. We are here to support you with catering ideas, restaurant reservations, Christmas tree discounts and turkey-sourcing, through to staycation offers, private party experiences and helping you find the perfect gifts.

Re-arranging travel itineraries, coordinating with insurance providers & assisting with last-minute travel...we'll help to make life easier. We recently organised a private jet for a member to fly 12 of her family bringing them safely to a neighbouring country and enjoying special time together.

We can help to provide virtual tutors specialising in all academic requirements, as well as music teachers (even sourcing instruments for those embarking on a new skill) through to kids' at-home activities.

Helping you maximise your time in Hong Kong by arranging celebratory parties, access to events, dining reservations and entertainment ideas. Day-to-Day support, sending gifts and packages to loved ones around the world.

## Flexible Membership Options
