It provides an access to the service concierge 24/7/365.

The member can use the service for any request related to his private or professional life, in Switzerland or abroad, and can also interact with one of the other 62 offices in the world during his travels.

Q CRM

Our CRM, through direct contact and data gathering and analysis, collects statistics to segment customers in specific clusters and allows to:

- optimize the communication to your target customers
- develop new strategies tailored to customer needs
- improve loyalty processes

Via a custom-made CRM platform we gather valuable data on consumer behavior to aid the understanding both existing and potential audiences, while our in-house Global Operations Team is dedicated to the successful roll-out, training and retention of Corporate Memberships.

REGULATION

In accordance with article 24-bis of the decree-law of June 22nd 2012, our Lifestyle Managers answer all from Italy by communicating the place (Milan). The message is communicated at the beginning of each call.

DATA PROTECTION

As an entity involved in credit card transactions involving the transmission, use or storage of the Primary Account Number (PAN) of the credit card, Quintessentially is PCI compliant.

All offices are periodically audited in order to check the standards requested.

Since May 25th 2018, Quintessentially has adapted its privacy policy in compliance with the GDPR (General Data Protection Regulation).
