# Cheltenham

United Kingdom

This glamorous wedding was held within the client's private estate, and hosted 180 guests. The church ceremony was followed by a family-style dinner in a spacious, bespoke marquee, after which Craig David gave a memorable live performance for the wedding party. The event was sealed with a jaw-dropping, ten-minute firework display across the estate's grounds.

*"Thank you so much for all your hard work and absolute dedication to making our day the most special day of our lives."*

# Mallorca

Spain

We organised and produced a ceremony that was authentic to the region, and true to the couple's sensibilities. The ceremony was followed by a drinks reception and dinner, after which the many guests were able to enjoy the music in various parts of the gardens. We showcased the heritage of the setting, and provided ongoing entertainment throughout the event.

# Cannes

France

This wedding blended all the glamour of Cannes with the colourful vibrancy of an Indian wedding feast. Over four days, we provided entertainment and organised a ceremony for 500 guests residing at the Hotel Majestic. The event was an exercise in high-precision logistics and grand theatrics, encompassing seven utterly distinct events across wholly varied venues. The finishing touch? Closing off the Boulevard de la Croisette to the public on the Saturday night, to host the traditional Baraat procession, complete with full regalia.

# Serengeti National Park

Tanzania

The Serengeti National Park in Tanzania provided the backdrop we needed for a once-in-a-lifetime experience. The intimate wedding ceremony took place in Mother Nature's 'back garden', by a peaceful watering hole, and was conducted by the uncle of the bride.

# Burgundy

France

This three-day wedding celebration took place at the client's château in the heart of France's wine-making region. The wedding honoured the Franco-Chinese heritage of the bride and groom, by combining a traditional Chinese tea ceremony and banquet with a picturesque wedding ceremony on the lawns of the château. The wedding breakfast was created by Michelin-starred chef Christian Le Squer.

# Ravello

Italy

The cliff-top setting of Ravello, on the Amalfi Coast, set the scene for a wedding Spectacular, and some truly stand-out moments. We wanted this event to be a veritable feast for the senses, surprising and delighting guests at every turn. Key moments included a sumptuous dinner under a canopy of chandelier-adorned olive trees, a firework display, and a first dance performance for the bride and groom, delivered by a professional opera singer and big band. The evening was sealed by the party to end all parties, continuing long into the early hours.

*"We couldn't have dreamed of such a magical wedding. Thank you for making it happen; it was amazing - beyond our wildest dreams."*

# St. Petersburg

Russia

The bride and groom were expecting something quite simply extraordinary, given the location. We brought their dream to life with a ceremony in the Lake Palace, followed by a lavish reception at Catherine Palace, featuring a performance by the Bolshoi Ballet. We transported their 6ft gold Fabergé-inspired cake from England, and arranged for Elton John to sing for the couple's first dance.

# London

United Kingdom

This country-style wedding took place in the heart of London. The beautiful ceremony was followed by dinner and dancing in a specially constructed marquee on Connaught Square, where The Cuban Brothers performed to a crowd of celebrity guests.

*"Guests said it was the best wedding they'd ever attended. You orchestrated everything to perfection."*

# Côte d'Azur

France

To make the very best of the French Riviera location we had found for the couple, and to allow guests to bask in the glorious sunshine, we put together an elegant three-day celebration featuring a grand reception at Cap Estel, and an exclusive welcome evening at the Monaco Yacht Club. The epitome of Côte d'Azur chic.

# *Paris*

France

This was our chance to deliver for a couple who wanted a destination wedding, which their 60 Chinese guests would never forget. The setting was Paris, the City of Light. The ceremony was conducted at the Pavillon de Musique, followed by an elegant reception at the Four Seasons Hotel, George V. For that extra personal touch, we commissioned internationally renowned florist Jeff Leatham to create a series of stunning displays that included a tree of wishes.

# New York

U S A

This picture-perfect wedding took place in a hidden Manhattan garden oasis. Guests were served dinner by a top Argentinian chef in an exclusive bespoke structure before heading to a private Lower Manhattan rooftop for the late-night party.
